22 **EVERYTHING BUTT**
Celebrate of the beauty of booty with HUSTLER. For the ass aficionado in all of us, we present our faves—or some of them anyway. It was hard to narrow this feature down to six pages! So delight in these delicious derrieres…and look for a sequel in the not too distant future.

64 **GOONETTES: BORN 4 PORN**
Goonettes embrace their porno-sexuality with abandon and without the slightest regard for social convention. They are unapologetically *extra*. Who are these decadent libertines of the digital era, and how did they find their divine calling? Open your mind and get dumb for goonettes. Interviews by John Blaylock.

82 **YOUNG WIVES RIDE HUNG GUYS**
What's in a name? Well, in this case, everything. Young wives Megan Mistakes, Ruby Moon, Sage Hunter and Harley Haze ride every thick, long cock they can find. How do those fat dicks even fit in those tiny twats? Photography courtesy HUSTLER Video.

WHAT'S MORE OBSCENE, SEX OR CENSORSHIP?

Free speech: We've had it so long, we take it for granted. People don't realize it can be lost. It doesn't happen all at once; it happens magazine by magazine and movie by movie." **—Larry Flynt**

The courts have ruled repeatedly that pornography and obscenity are not synonymous. Yet a new bill introduced by Senator Mike Lee of Utah and Illinois Representative Mary Miller proposes to rewrite the definition of *obscenity* to make it so incredibly vague and subjective that it will allow the government to dictate what you can or cannot view in the privacy of your own home and criminalize material it deems offensive.

The objective of this bill, the Interstate Obscenity Definition Act (IODA), aligns directly with the extreme-right Project 2025 mandate to outlaw pornography and imprison those who produce or distribute it, even classifying teachers and public librarians who "purvey" what the government decides is pornography as registered sex offenders.

My husband became a warrior for free speech, standing trial after trial and fighting for people's First Amendment guaranteed right to read so-called offensive material like HUSTLER. He would decry current efforts to erase protected expression, warning, "When Hitler first came to power, before he started exterminating the Jews, censorship was at the top of his agenda. He didn't start with the classics; he started with garbage nobody wanted to read. It eventually led to Voltaire and Shakespeare."

Leaders of the Future of Free Speech wrote in response to the IODA, "First Amendment protections are their most vital when they shield controversial, uncomfortable expressions. Because the Supreme Court has consistently held that expression may not be banned simply because it offends, shocks or challenges mainstream sensibilities, that principle allowed civil rights movements, reproductive freedom advocates and LGBTQ communities to speak, publish and organize."

Larry Flynt asked, "What's more obscene, sex or war?" I would add, What's more obscene, sex or losing your right to free speech?

DONALD TRUMP

We feared that if Donald Trump ever occupied the White House for a second term, it could be worse than his first, an amateur production by a real-estate huckster who didn't know what the hell he was doing. In the interim, Trump has had time for remedial lessons in government and to gather a posse of loyal henchmen to do his bidding. But few suspected that he would lunge out of the gate like a cattle-prodded bull, goring the bowels of government, trampling all legal constraints and fostering chaos around the planet. "The first time, I had two things to do," he said. "Run the country and survive; I had all these crooked guys. And the second time, I run the country and the world."

The bad news started with the Day-One Dictator terminating every DEI policy in the federal government, trying to end birthright citizenship (as enshrined by the Constitution), issuing blanket pardons to all for their roles on January 6th and withdrawing from the crucial Paris climate agreement (again) and the WHO. By the 100-day mark, he had issued a record-setting 143 executive orders! Many of his EOs violate longstanding legal precedents and are seen by critics as brazen attempts to rule by diktat. The President has never hidden his admiration for strongman tyrants like Vladimir Putin, Kim Jong Un and Viktor Orbán; rather, it seems he aspires to be one of them. As of May, Trump's EOs have spurred more than 160 lawsuits in opposition.

Despite claiming in his campaign debate against Kamala Harris that he had "nothing to do with Project 2025," it's clear that Trump has had no issue enacting the proposals outlined in this radical far-right manifesto. Hatched by the Heritage Foundation, Project 2025 is a blueprint for defunding or eradicating whole swaths of the federal government while expanding the power of the executive branch. In fact, Trump appointed Project 2025 key contributor Russell Vought as his Office of Management and Budget director. Vought once vowed that he wanted to "traumatize" federal employees. He and the Department of Government Efficiency, headed by the chainsaw-wielding billionaire Elon Musk, have succeeded in that mission, firing thousands of officials: nuclear weapon regulators, FAA personnel supporting air traffic control, doctors at the National Institutes of Health researching cures for cancer and Alzheimer's, NOAA scientists, wildland firefighters, FEMA staffers, IRS agents, veterans and workers serving disabled veterans, and on and on—all ditched like stray dogs. Some had to be rehired once the dire consequences were realized. The DOGE whiz kids were granted license to prowl through government databases, accessing citizens' private information—bank accounts; Social Security numbers; tax, employment and health records—until the courts finally curtailed this abuse.

According to our Constitution, Congress has the power of the purse—to authorize and dispense funding for various agencies and programs—and according to the 1974 Impoundment Control Act, the President cannot axe duly appropriated funds. But Trump has attempted to do exactly that, moving to kill about 90% of USAID funding devoted to causes like shoring up democracies in autocratic countries and containing outbreaks of HIV and Ebola in Africa. He then attempted to completely abolish the whole Department of Education, which distributes funds for low-income K-12 schools and students with disabilities. But abolishing any federal department requires an act of Congress, not an executive order.

Musk, Trump's hatchet man, promised that DOGE's surgery would save the government $2 trillion, but it ended up being a meager $160 billion, while costing the taxpayers $135 billion, according to the Partnership for Public Service. What happened? After picking all the low-hanging fruit around D.C., Musk was supposed to cross the Potomac to tackle the 500-pound gorilla—the Pentagon, home of $640 toilet seats and $51,600 trash cans. But they didn't have the guts to confront this bloated bully, this champion of "waste, fraud and abuse." Instead, Trump has proposed a record $1.01-trillion budget to feed the beast that receives 45% of discretionary federal spending. The DOD has failed to pass an audit for *seven* years in a row, and the bastards are rewarded for it! DOGE is a practical joke.

While the United Auto Workers and many Democrats have come out favoring some measure of tariffs to help repatriate manufacturing, Trump blasted a minimum tariff of 10% on the entire world and higher tariffs on impoverished nations, based absurdly on trade imbalances. He has even pummeled our longtime ally Canada with sweeping tariffs and repeatedly called for this proud nation to become our 51st state. The resulting Canadian anti-Trump wave was in large part responsible for Liberal candidate Mark Carney winning as Prime Minister after his Conservative Party opponent had been leading in the polls.

Our *America Über Alles führer* has proffered that military force is not "off the table" to steal Greenland from Denmark and take over control of the Panama Canal. For the stock market, Trump's first 100 days in office were the worst start to a President's four-year term since Nixon in '73, such that even *The Wall Street Journal* soured on the new regime: "Welcome to the new tariff economy, where you still pay onerous taxes, endure punishing regulation, and now must also navigate the political minefield of arbitrary tariffs."

Far worse in this litany of excess are Trump's attacks on free speech, due process and the independence of universities and the media. His ICE goons have arrested and deported foreign students here on valid visas, including students simply exercising free speech in protest of the ongoing violence against Palestinians in Gaza. Undocumented residents have been deported to hellhole prisons in El Salvador, some with unproven allegations of being gang members, even as the Constitution specifies that "no person"—not citizen, but *person*—residing in the U.S. shall be deprived of due process. When chief judge of the U.S. District Court for D.C. James Boasberg ordered a temporary halt to the deportation of alleged Venezuelan gang members in March, Trump barked that Boasberg should be impeached. Supreme Court Chief Justice John Roberts slapped him down: "For more than two centuries, it has been established that impeachment is not an appropriate response to disagreement concerning a judicial decision." Trump's Administration has even floated that they are "actively looking at" suspending habeas corpus.

With no filibuster power against executive orders, Democrats have relied on the courts to impede this rampage. Several judges, including those appointed by Trump himself, have blocked his despotic moves, forcing him to retreat to the more arduous legal process of shepherding legislation through Congress. His "big, beautiful" budget deal would cut spending by $880 billion over the next decade and kill Medicaid coverage for 8.6 million people, but add *trillions* to our deficit through the extension of tax breaks. His GOP lapdogs want to gut food stamps, housing subsidies, aid to poor women with dependent children, EPA enforcement and IRS tax collection, all so his fat cat cronies can get fatter. If Trump really gave a shit about the working class, as his followers imagine, he would raise the federal minimum wage above subsistence level. And global warming? Well, we're fucked. He has rescinded most of Biden's clean energy initiatives and eviscerated the Clean Air Act's regulations for motor vehicles and power plants.

Thankfully, it appears that the public is finally waking up from the Trump trance. His approval rating plunged to 39% in May (ABC News/*Washington Post*/Ipsos poll). Yet hardcore MAGA goose steppers have proposed declaring his birthday a national holiday, adding his head to Mount Rushmore and somehow electing him to a third term! Yes, we too would like to see another term for this monstrous un-American butt plug of a con man, the one he so richly deserves—in the Alcatraz prison that he wants to resurrect. H

When I was younger, I was less confident than I am now. Younger me would think of current me as the coolest, most confident girl in the world. Being in the adult industry allows me to express my personality and sexuality, which I love.

"Performing in porn has provided me with so many beautiful experiences, onscreen and off—and sometimes both at the same time! Once, I met this girl in Miami. She didn't speak much English, but she kept saying, 'I know who you are.' She came back to my place, and she asked, 'Can I show how I know you?' She put on a girl-girl scene I had done, and we had *very* passionate sex to the video in the background!

"I've had so many amazing encounters that I've fulfilled pretty much all of my sexual desires. Luckily, I'm a pleaser in the bedroom, so now I focus on making my partner's fantasies come true."

EVERYTHING BUTT

Celebrate the beauty of booty with HUSTLER. Ah, the wonder of round, full, firm butt cheeks. For the ass aficionado in all of us, we present our faves of the past several years—or some of them anyway. After debating derrieres for hours, the staff had the list narrowed down to 50, but could go no further, as we loved every model, every glorious photo. Finally, our Art Director had to take the edit in hand, and it's a good thing she did, or we never would have made deadline. But you know what? With so many great glutes, we might just have to publish a sequel...

TASTE THIS!

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I grew up in rural Georgia, and my upbringing was very strict. I wasn't even allowed to dance or sing. There also wasn't a lot of sex education where I was—but I sure have crammed a ton in since starting porn! Being in the adult industry has really allowed me to open up and explore, and I've learned so much about what turns me on. For example, I've recently discovered that I have a taste for women—and I look forward to tasting many more of them." **—Kimmy**

My breasts really started to develop when I was 16, and since I never wore a bra, I definitely got a lot of attention. I didn't mind, and still don't—even now, I wear tight, short outfits when I go out. Believe me, I get lots of stares, and it doesn't bother me at all. Do you think I would have gotten into porn if I didn't like being looked at? But the best part of being in this business is all the friends I've made. All the fucking I get to do is a nice perk too!" **—Kay**

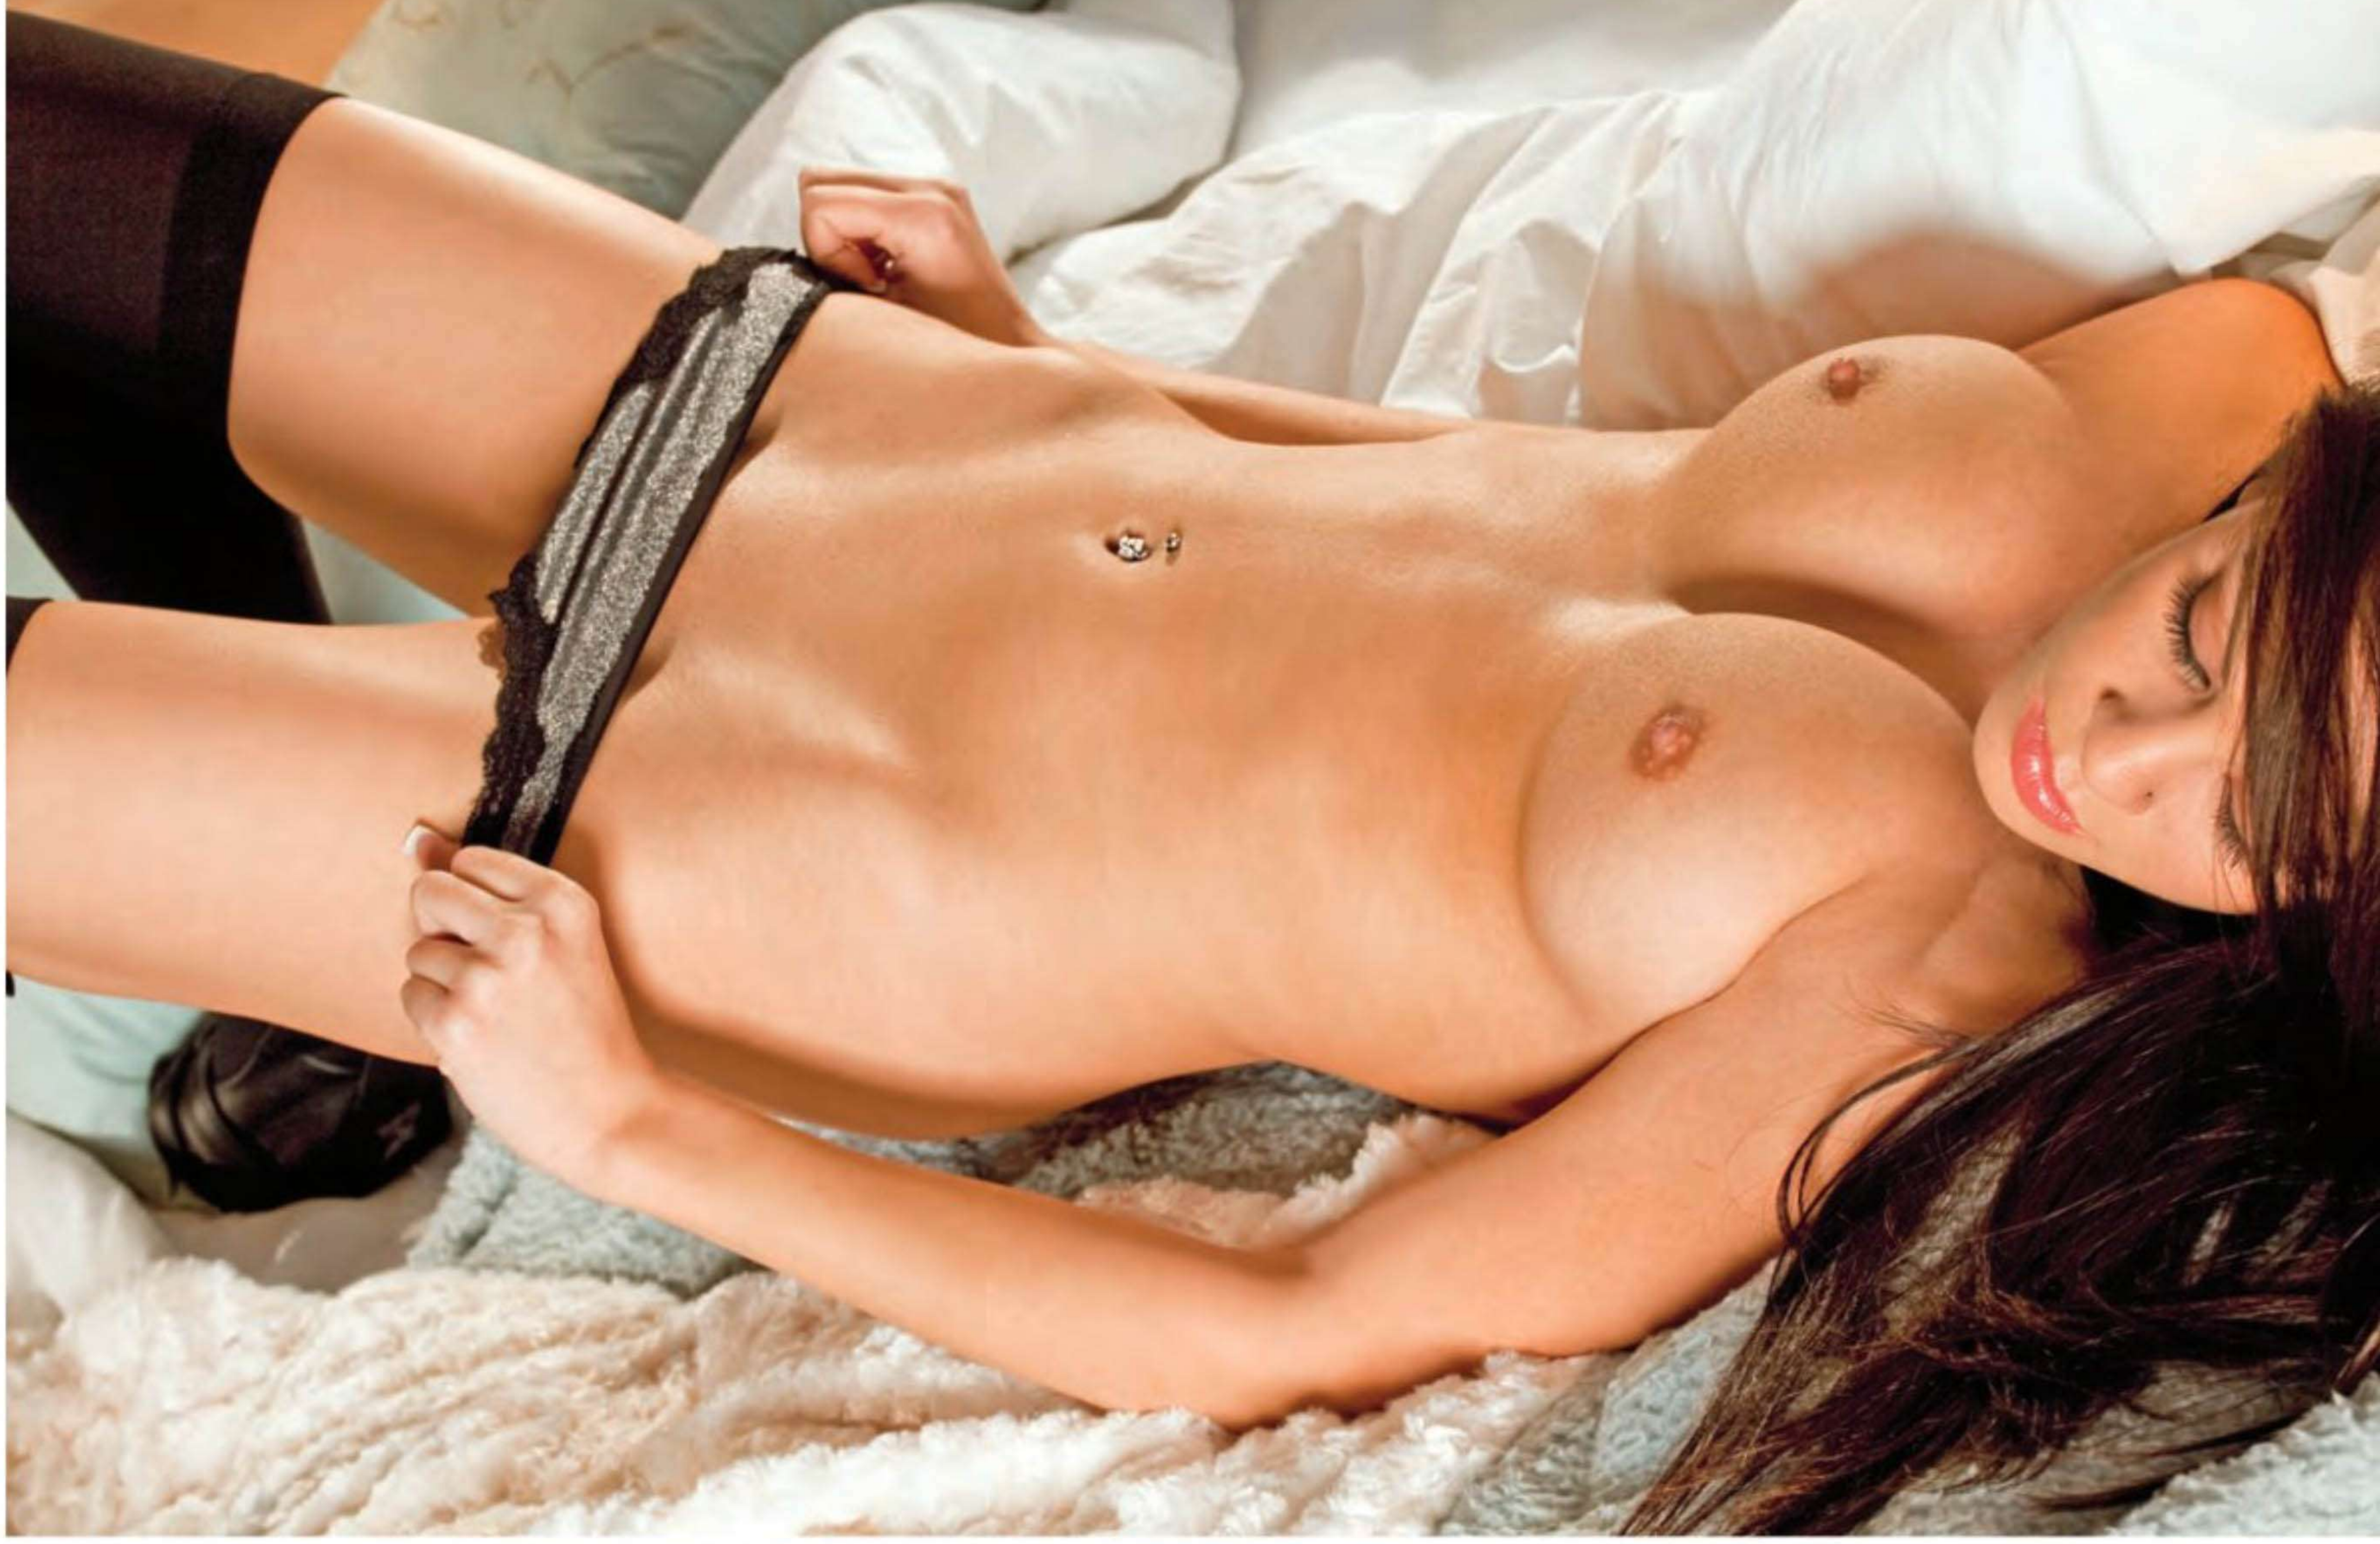
TALIA

UP FOR FUN

PHOTOGRAPHY BY
MARK LIT FOR DIGITAL DESIRE

Who isn't up for fun?" asks fresh new face **Talia**. "I love to go to parties with my girlfriends and meet cute guys. I'm a big flirt. I can't wait to turn 21 so I can go to the coolest clubs. Actually, I can't wait to experience all that life has in store for me!"



Tell us more, **Talia**.

"Wow!" she hoots. "I expect big things and lots of joy. I figure in life you really get what you give. I give out a lot of positive energy and pleasure, and I tend to get that back. The same goes for sex. If you give me an unforgettable, earth-shattering orgasm, you'll get one in return. If you don't, then you're left home alone with just my pictures in HUSTLER to get you off."

Thank ungodly heat for getting this innocent-looking girl-next-door to expose her tantalizing bod. “I grew up in Arizona, where it’s usually hotter than hell,” **Talia** explains. “Most summer days the temperature hits triple digits. I spent a lot of time wearing next to nothing. Then as I started to blossom, I wore even less. Being naked really is no big deal. You’re born into this world naked. So why not be naked in public or at least in HUSTLER?”

XO Savvy

I’ve always been a tomboy. I grew up going camping and fishing and was even on a boys’ wrestling team in high school! These days, I love practicing jiu jitsu and judo. What can I say? I like to fight.

“Of course, I also embrace being a woman. My favorite body parts are my flat tummy and little waist. They’re so feminine and sexy. And I am fully in touch with my sexuality. I masturbate and have sex every day. Even if it only lasts a minute—I need it!

“I’m into both men and women, and I’ve definitely had some memorable sexual experiences, like getting fucked in front of my fiancé. I’ve also had sex in a hammock at my family’s BBQ! Of course, there are still some things that I hope to tick off my list. I want to try anal—it has always intrigued me, but I’m just so nervous. And one of my fantasies is to do a public servant experience, where I’m tied up and used by strangers. That would be *so* hot!”

GOONETTES

BORN 4 PORN

INTERVIEWS BY JOHN BLAYLOCK

PIX
PHOTOGRAPHY BY VI & SAGE (@ENBYBULLY & @SUBBI_SAGE ON X)

MEET THE GOONETTES: GIRLVERTS WHO CELEBRATE PORN AND PERVERSION WITHOUT SHAME OR RESTRAINT.

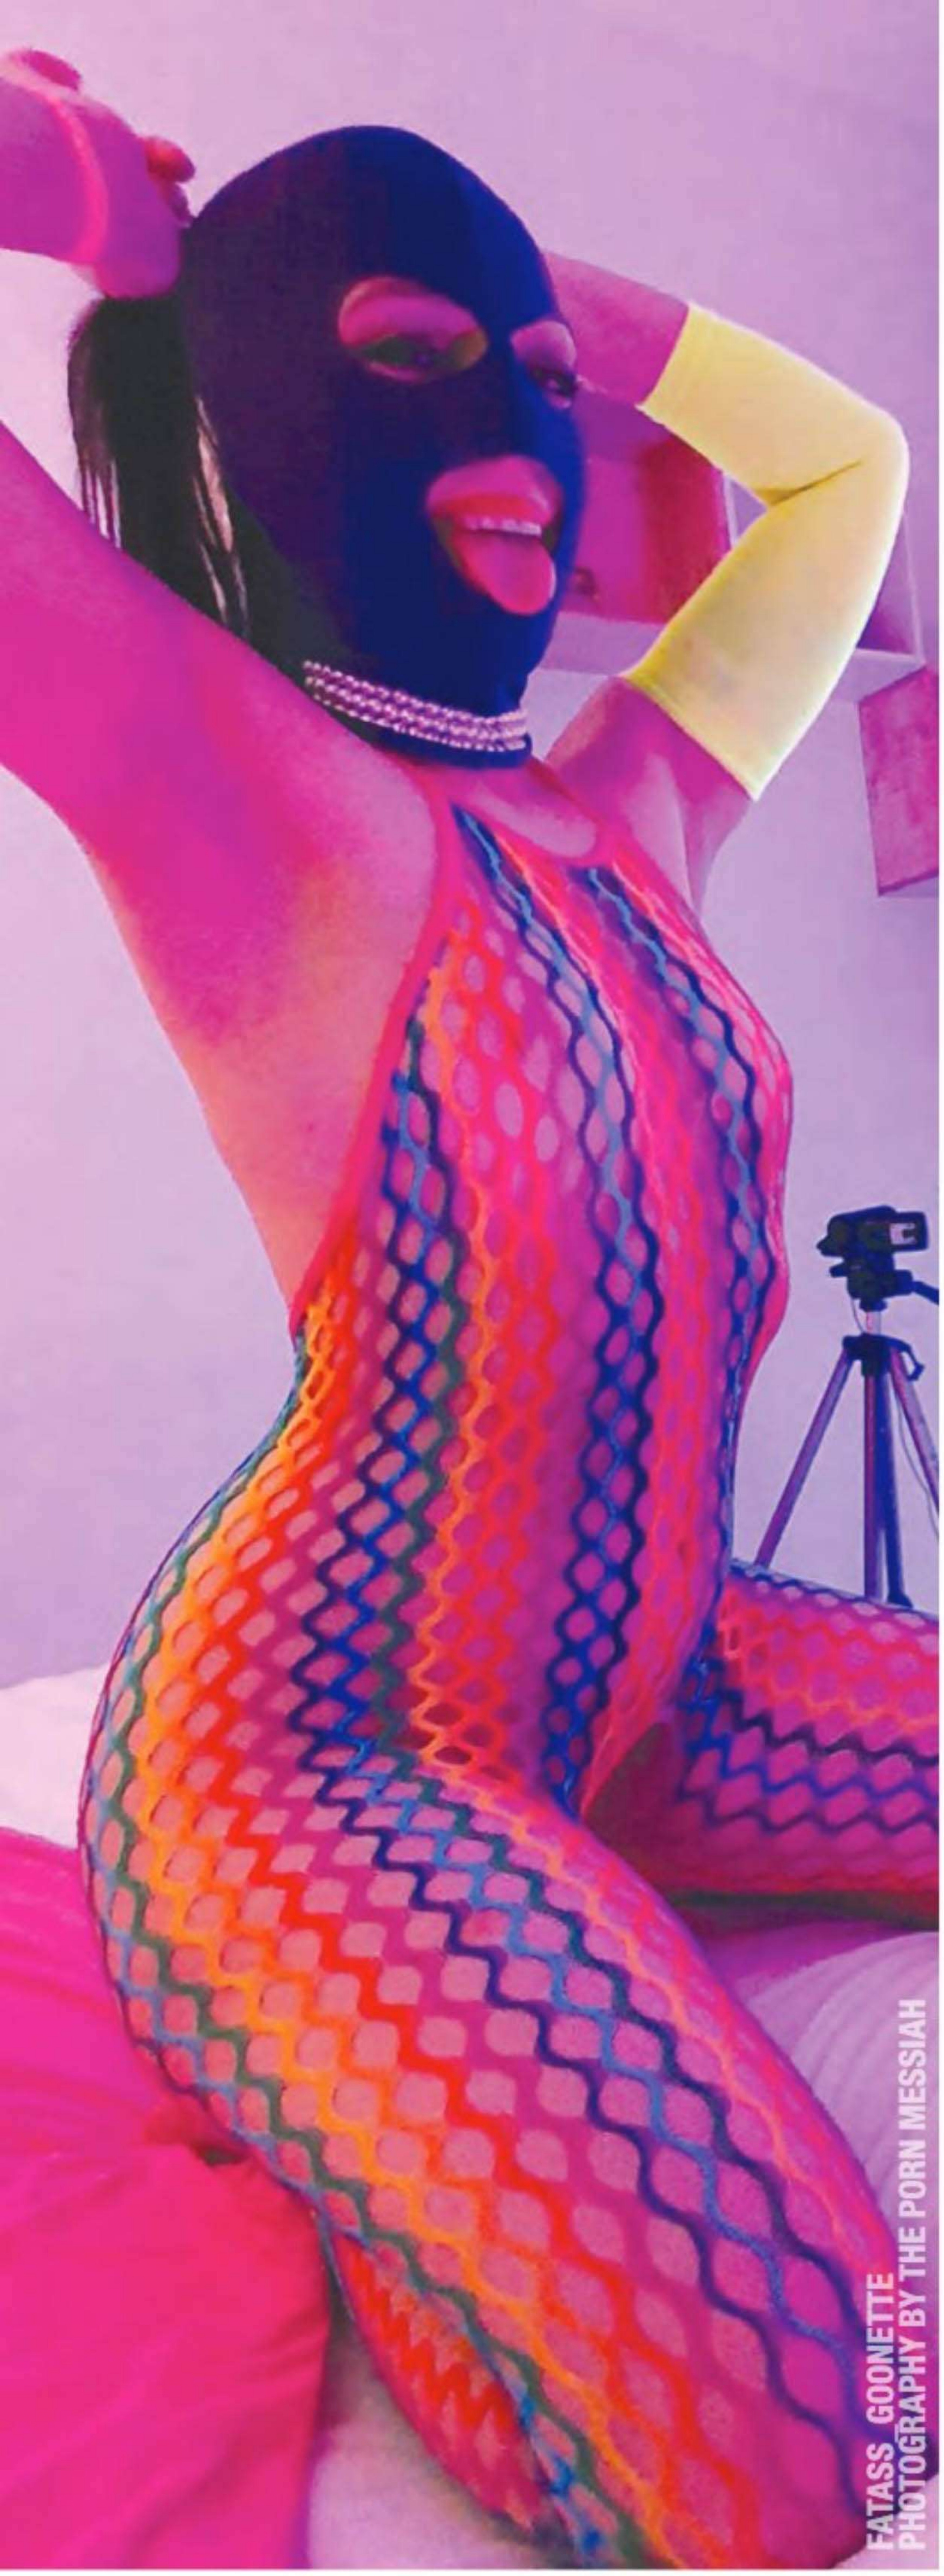
Porn is life. That may seem a bit extreme to the casual viewer, but for gooners, it is an axiom that binds together a community dedicated to judgment-free expression and the exploration of sexuality, identity and desire.

First, let's take a giant step back and define our terms. *Gooning* is a primarily internet-based subculture that worships porn. Calling *gooners* "porn addicts" is both inaccurate and woefully myopic; *addiction* implies a dependency, whereas gooning is a next-level lifestyle, a choice. It is devotion akin to religion.

Just as Christianity has its commandments, so does gooning: *Pump harder. Sink deeper. Surrender to porn.* These are the mantras (typically conveyed in meme form) of a gleeful generation that rejects Puritanism for the dayglow dreamworld of endless pleasure. *Porn is God—praise unto porn!*

Though it's a predominantly male-driven movement, women are growing the ranks in not insignificant numbers—hardly a surprise when you consider that over 60% of women consume some form of porn on the regular (*Journal of Sex*, 2020). Known as *goonettes*, their appetite for filth and perversion is unmatched. To "become porn" is goonette transmutation.

Goonettes embrace their porno-sexuality with abandon and without the slightest regard for social convention. They are unapologetically *extra*. Who are these decadent libertines of the digital era, and how did they find their divine calling as the undisputed titans of porn-fueled fun? Open your mind and get dumb for goonettes. >>



FATASS_GOONETTE
PHOTOGRAPHY BY THE PORN MESSIAH

FATASS_GOONETTE

A feral sex fiend of Scottish descent, FatAss_Goonette is a queen anointed by the porn gods themselves and is girlfriend to The Porn Messiah—another celebrity in the gooner universe. It was a lonely road to finding her people, but long and hard is the way that leads to light. Porn personified, a human Fleshlight fulfills her destiny.

HUSTLER: How did a love of porn lead to your goonette awakening?
FATASS_GOONETTE: My sexual identity is an important part of who I am as a person, and my sex drive is absolutely insane—I have never met anyone who can match me. I'm not exaggerating when I say that I want to be fucked hard and constantly.

With porn, I was able to satisfy my urges while pursuing a path of self-discovery. I've been gooning since I was a teenager, before I even knew what it was. I'd come home and watch porn under my covers, scared of getting caught as I edged myself into a state of euphoria. I'd seek it out online like everyone else, but I was also heavily into erotic literature, horny fanfiction, anime and hentai—still am!

Porn brought all of these once disparate feelings into focus while taking pleasure to a whole new level. Finding the gooning community and being able to put a name to what I was doing was extremely liberating.

Do you remember your first porngasm?
I first started looking at porn when I was nine, but I only experienced my first porngasm a few years later, when I turned 13. I remember it vividly: It was after I had come back from Sunday school. There was something about the juxtaposition of porn and having just been to church that really did it for me. It felt like an epiphany. Incidentally, it was an anal gangbang scene.

So is this a hobby or a lifestyle?
A lifestyle. It's an inherent part of who I am. I curate my life around my sexuality and need for porn. Whether I'm on the bus, at work or walking down the street, every single spare moment I have is dedicated to porn. Gooning is a celebration of sexuality, joy, self-confidence and identity. Pleasure, fun and positivity are what being a goonette is all about for me. I take it very seriously because this is who I am.

I know you from X, but I'm told that X is just the tip of the iceberg. Where do gooners and goonettes live on the internet? And how are you interacting on these platforms?
I would say Discord is where the proper gooning action happens. You know someone is a hardcore porn addict and proper gooner if they're on Discord—in my experience. This is where you find and share porn or livestream and pump along with hundreds of other gooners. It's where gooners properly goon together. We feed each other porn, share amateur captions—memes that encourage gooning and porn addiction—and/or arrange in-person porn meetups. Reddit is another big one. There are porn groups on Telegram too, but I would say that Discord and Reddit are where the genuine, hardcore gooning community lives and where all the action happens.

What are your biggest triggers, things that reduce you to a feral goonette state?
Oh, that's tricky, because when you goon hard and deep enough, then everything can become a trigger. Even random sounds or colors. Every

single time I see neon colors, all I can think about is porn. The other week I saw some fluorescent pink golf balls, and my nipples were ready to cut glass.

My ultimate trigger, however, is power dynamics—especially DDLG [daddy dom/little girl]. Being completely owned is a constant edge. That kind of sexual tension gets me off. I also love me some BDSM—I never want it gentle; anal—give me anal any day of the week, please and thank you; age play; public play—especially public play; hardcore bondage; and breeding. And if I'm owned, then giving pleasure is my pleasure, if that makes sense. I love being a free-use porn doll for my partner—one of his biggest triggers. I come so hard when he uses my throat as a Fleshlight, ignoring me as he watches porn. It makes me wet just thinking about it.

Do clothes make the goonette? What makes you feel like porn personified?
There is definitely an established porn aesthetic for goonettes. Thigh-high socks, hair barrettes, micro bikinis—always in bright, neon rainbow colors. A "perfect e-girl goonette" look combines cuteness and sexuality. You can see its influences in mainstream porn.

I feel completely pornified in a rainbow fishnet bodysuit or mini dress. But do clothes make the goonette? A solid and resounding *no!* Being a goonette is more intrinsic than fashion; it's an expression of sexuality and identity. You can dress and play the part, but you're either a goonette or you're not.

You are one half of a gooning power couple. How did you and The Porn Messiah meet and end up bonding over your mutual obsession?
We met on Twitter. I had been gooning to his content for ages. He really is the epitome of porn appreciation. I sent him a DM, and we started gooning together online and immediately connected. So we decided to meet up in person and fell in love.

Our mutual obsession with porn and gooning was how it all started and in a way is kind of the cornerstone of our relationship. But imagine my surprise when I found out he is also a fantastic person who is funny, attractive and treats me well. It's extremely rare to find that kind of connection, let alone inside a niche internet community. Confession: I love how fucking fun it is to have a partner who can watch porn nonstop. It's a dream come true for me!

You and your partner do "porn weekends" where you goon out for 48 hours straight. That sounds seriously decadent—please describe it in excruciating detail.
At least once a month, we make time in our schedule to completely lock down, shut the world out and share an immersive porn experience without any external distractions.

We use an insane amount of tech to create the perfect porn environment: lighting, audio, vertical screens and monitors galore. And toys —*so* many toys. We'll film the experience, both for creating gooner content and watching later for our own enjoyment. We usually have two video cameras recording from different angles, plus a phone—bird's-eye view—and a GoPro for handheld close-up shots.

All the porn we'll watch over the next two days is cued, easy to scroll and ready to watch. Once everything is set up and in its place, we lock down and start. I'll get dressed in an outfit of his choosing, and then we proceed to watch porn, get high and pump for days on end. Naps are permitted. Time stands still. There is no day or night, only porn, us and our pleasure.

HUSTLER: Describe your relationship with porn.
PIX: Porn—or "pornworld" as I call it online—is like another reality for me. I can dive in any time and get lost in a bright, expansive whirlpool of pleasure. To share my sexual evolution feels so liberating, especially as someone with harder, rougher kinks. Being a goonette makes me feel unstoppable.

Kinks—especially of the taboo variety—are catnip for goonettes. What dark fantasies turn you on, and how do you approach consent?
I have so many dark fantasies, I don't know where to begin! From blood play to being held hostage, from having my face punched to waterboarding pretty men, consent is mandatory—always, no exceptions. Having someone ask if they can choke me is so hot, but take away the consent and suddenly my most common kink becomes scary, dangerous and harmful. Asking permission takes zero effort, and anyone who doesn't has no right to be in kink spaces or the gooner community. If you can't understand consent, then you shouldn't be having sex. Period.

Pretend we're on MTV's *Cribs* and you're touring me around your goon cave. Go!
What's up, MTV! Welcome to my goon cave, where all the gross and messy stuff happens.

Almost everything you see is pink or rainbow-colored. Here is my dog cage, furnished with a pink dog bed and too many stuffed toys. This is where I take my naps after gooning my brains out or when I'm feeling like some pup play. Over there in the corner are all my ring lights, and that's my big pink armchair underneath six boxes of dildos. I have enough lube to last two lifetimes and multiple screens for gooning myself stupid. Do you like my porn shrine? I made a new one last week!

Let's get weird. What's the deepest you've ever gone in a goon session?
I was pretty tired after a huge weekend of parties and raves. I usually have a big goon session when I'm hungover, so I set up my screens, put on my headphones and brought out all my favorite toys for what I thought would be two hours tops. I remember playing a bimbo hypno clip on one screen, a gooner encouragement edit on another and a third screen with extreme-size kink hentai. And I just completely lost it. I used every single toy I owned, my eyes rolling back as I slid into a trance.

When I checked the time, imagine my shock to learn that nearly three days had elapsed! How did 72 hours go by in the blink of an eye?! I swear I could've stayed in there forever.

I love that you hooked up with a fan and let him face-fuck you on camera. You must have slutty stories for days!
So, so many! I am slut to my core. My IRL [in real life] sexual encounters are wild. I remember one time I was attending a kink party at a bar. I went feeling submissive, wearing a collar and duct tape wrapped around my tits as a top. Someone asked me, "Who's your master?" "Tonight?" I replied. "Everyone." Within an hour my duct tape top had been cut open and I was being groped by at least ten different strangers—one fingering me, another playing with my ass as they used BDSM toys on my tits. Anonymous hands grabbed me, playing with my body like I was sex doll. I felt so special and used. What a rush!

For those who haven't yet subscribed, tell us about your filthy, grool-soaked content. What makes goonette porn so extra?
My Fansly is like an archive of me getting grosser and grosser, sinking deeper into porn. Goonette porn is so extra because goonettes are extra!

I make videos of me worshiping porn, sucking my own feet in the middle of a session because I am just so far gone, covering myself in throat slop and planning my entire day around sex. When you're as motivated as I am to be the best porn you can possibly be, of course it's going to be extra.

Gooners and goonettes, as a community, are often misunderstood as porn addicts. But your connection to adult entertainment is so much more than just consumption.
It really is! Using the term *gooner* to describe any porn addict is a bit misinformed and inaccurate. Being a gooner-goonette is a mindset, a lifestyle. For me, it's a source of catharsis and spirituality. I even created my own religion a few years ago. Desire and sex are life, and that is what my church is all about.

It feels so right to be in front of a camera, exposing my body and sharing all my depraved thoughts with people who embrace and encourage me. I trained my throat to swallow a 12-inch dildo like it was nothing. I can use big toys to make my tummy bulge, and my ass can gape without even trying. This body was built for porn. Born for porn!

DOLLIE ROTZ

A goonette's goonette, this unapologetic rubslut (her word) loves to dress like a fuck doll and play with huge toys all day. But porn is so much more than pleasure for Dollie, it's a profoundly spiritual experience that transcends reality. And if it pays the rent, then who is she to hide her joy?

HUSTLER: Do you recall your first encounter with porn?
DOLLIE ROTZ: I was being nosy, snooping around a family member's man cave and came across some porn on VHS. It was a stepdaddy-daughter video—she's a naughty schoolgirl who sneaks into his room for "tutoring" while the mother is at work. I vividly remember how electrifying it felt to watch for the first time.

I ended up keeping the tape, never telling anyone I had it or even found it. From that moment I needed, craved and yearned for *porn*. Once I had my first porngasm, I knew that I was forever changed.

Since then, gooning has brought me so many beautiful moments that touched my soul. I started Identifying as a goonette right after graduating high school. Once I realized that porn was more than just entertainment, the floodgates to endless pleasure and power were opened.

What does it mean to be a goonette?
Being a goonette, for me, is being a proud, chronic rubslut who unapologetically indulges in porn. Collecting the biggest and weirdest toys I can find, wearing the skimpiest outfits known to man, posting and showing myself off online, exploring my kinks and fetishes and becoming literal porn. I feel so free now, spiritually and sexually.

Bedazzled Hitachi, micro bikinis, cute butt plugs, pink wig—is the experience heightened when you fully inhabit a fuck doll state of mind?

DOLLIE ROTZ
PHOTOGRAPHY BY DOLLIE ROTZ

I feel my best and most powerful when I am in full fuck doll mode. It's less of a persona and more of an altered state of being. When my makeup is done and I've got on a sexy, tiny little outfit that would rip if I breathed the wrong way? That's my happy place. And with my huge collection of toys, lube and BDSM gear to enhance the experience, I feel like I can do anything.

Here is a quote from a fellow goonette who holds you in very high esteem: "Dollie Rotz is a *true* pervert. Sex positivity is very much who she is." What is the depth of your depravity?
My depravity runs deep. But first, I want to be clear that my kinks and fetishes are RACK—risk aware consensual kinks—meaning that they are 100% consensual, safe and between adults. Now, on to the good stuff! If I had to give you a top ten: CNC—consensual non-consent; somnophilia—engaging in sexual activity with a sleeping person; forced intoxication; extreme insertion; urophilia—aka urolagnia, aka pee play; erotic asphyxia; impact play; narratophilia—dirty stories and lit kink; faux-cest; and DDLG. What can I say? I'm a filthy girl.

From porn fiend to goonette to…sex worker! Does your sex work intersect with your goonette life? Are they one and the same?
One hundred percent. Why shouldn't I profit from sharing my lifestyle online? People want to see other people gooning. People want to see women venture outside of societal norms, being as weird and depraved as men. So I turned my love for porn and gooning into an actual career [content creator/findom] within sex work that I enjoy.

What's an average Dollie Rotz goon session like? How wet and sloppy does it get?
An average goon session goes something like this: porn lighting, usually pink water on the bedside table; music playlist; XXX on every device I own; toys, both vibrators and insertable, within reach—and don't forget the lube! I start out by teasing myself senseless. I want to come, but I deny myself because I'm a good girl. I've always been Team Cream, but I squirt too, so any goon session can either turn into a water park or an ice-cream factory. On my screens, a buffet of my fave porn categories: hardcore, anal, anal prolapse, internal pissing, huge clit, gloryholes, gay verbal solo, sloppy-puke blowjobs and close-up creampies.

What do you think gooner culture can teach people about sex and sexuality?
That it's okay to explore the perverse. For me, goon >>

culture isn't just about porn and sex. Being a goonette has taught me so much, from authenticity to being present and self-aware. Being part of a community, especially one as supportive and accepting as the gooner community, is a stepping stone to acceptance—only then can we fully embrace our sexuality, regardless of what it is or how it presents. *Follow Dollie Rotz! EMMY BANKS

Emmy Banks may be a daddy's girl, but her heart will always belong to porn. This adorable goonette brat is a cutie pie with a dark side, a taboo-loving princess who dreams of being dominated by big, scary men. Finding her people made Emmy feel less alienated and ashamed. Now she's living her best life while helping others on their path to self-discovery.

HUSTLER: Gooning and edging (denying and delaying orgasm) go hand in hand. How did you discover edging, and what makes it such an important part of your experience?

EMMY BANKS: I fell in love with edging before I knew edging was even a thing. About three years ago I stumbled into some gooning content—here was this community that loved edging as much as I do. I related to them a lot! It was a space where I could fully embrace my kinks, taboos and my love of porn. Now porn without edging is something I can't even comprehend. The repeated denial of pleasure is such a wild ride, especially if you've been going at it for hours. There's nothing like it.

EMMY BANKS
PHOTOGRAPHY BY EMMY BANKS

Every goonette is unique. How would you describe yourself as a member of this community?

I identify as a porn-loving, bratty goonette. A bratty goonette, in my opinion, is someone who is unapologetically themselves. It's a bratty, bitchy attitude—a "fuck you" and "I know what I want and deserve" mindset. Outspoken, firm. I can't speak for all bratty goonettes, but personally I love wearing skimpy little outfits—the kind that make beta losers bend at the knee. I'm a princess.

How did becoming a goonette open the door to sexual exploration?

The most important aspect of being a goonette is the space and freedom to be me. It's a safe space for sexual exploration and experimentation, a gateway to self-discovery. It's perfect!

What is it about porn that excites or triggers you?

A huge factor, for me at least, is how taboo or off-limits it is for most people. Everyone around me always frowned upon it, but that only made me fall deeper in love with porn. Like when your mom tells you not to go into the cookie jar and all you want to do is get. Into. That. Cookie. Jar.

If I had to pick my absolute favorite genre, definitely hardcore and rough sex. CNC [consensual non-consent] is so hot. I like a wholesome kidnapping situation that involves a big scary man, a cute little girl and a big white van. Or maybe a home invasion, and just as she's getting out of the shower—*Oh, no! A masked man, ready to take advantage of me!*

Do you make content specifically for other gooners and goonettes?

Some of my most popular clips are gooning-related—"goon fuel," as I like to call it. JOI [jerk-off instruction] videos where I encourage you to rub, pump and edge! I love to tease my fans, making it impossible for them not to pop.

You're into some pretty hard kinks and taboo play. Which are strictly fantasy, and what do you enjoy IRL?

I ask myself this a lot. The line between fantasy and IRL can get very blurry sometimes. If I'm being honest, most of my kinks and taboos are genuine. Like age play and DDLG—it can be sexual but also comforting depending on my mood. It's super naughty and taboo and defo not everyone's cup of tea. But for me, being able to regress and not worry about life while being taken care of or taken advantage of is the beauty of this specific subspace.

Shout-out to the goonette community! What do you love most about your perverted sisterhood?

How we connect sexually. For most of my life, I felt so alienated and ashamed for enjoying porn and participating in porn. Now I have a space where I not only feel comfortable being myself but can also inspire other girlies to do the same, if that's what they want. It's a community where girls can be girls and get off to whatever they want without fear of judgment. Shout-out to all the perv girls who are proud of who they are and what they love!

MILLIE

Goonettes aren't just obsessed with porn—they also care about porn. A lot. It's this dedication that sets Millie apart from the average pervert. To her, porn is so much more than a means to an end—porn is life. Born of her love for erotic lit and corrupting innocence, Millie's genesis is a journey into the very heart of filth and debauchery.

HUSTLER: Who is Millie the goonette?

MILLIE: Millie is too much, and that's the whole point. I'm excess. I'm a glutton for pleasure. I'm beauty and filth, pink ribbons and drool, glitter and spit. I'm the seven deadly sins of porn. I live for hyperstimulation.

Where did it all begin?

In high school, I was writing stories that shocked my teachers—and probably awakened something in a few of them, *hehehe*. I won awards, but all I really cared about was getting a reaction, that mix of fascination and discomfort. As soon as I turned 18, I got in front of a camera, and suddenly I wasn't just writing filth—I had become filth.

What do you want to say with your porn?

That porn deserves more. I'm not interested in soulless, assembly-line garbage. It's functionality over art: Type in your keyword, jack off, close the tab, and move on with your day. That is so sad. I want beauty. I want filth. I want to make you think, crave, dream and ache. Porn isn't just a means to an end—it's life itself.

My content hits hard, fast and deep. I don't want you to think—I want you to drown in porn and sexuality. My body is an open playground, my throat expertly trained. Watch as my mind melts into a pleasure-obsessed mess.

Deeper, harder, constantly pushing your limits—is this what it takes to "become porn"?

Precisely. My body is porn. A living, breathing, dripping work of X-rated art. I want to be limitless: no gag reflex, no hesitation, no boundaries. Just pure pleasure and complete submission. My throat? A finely tuned muscle. My ass? An open invitation. My brain? A literal sponge, constantly soaking up depraved and gross ideas. "Becoming porn" isn't just about what I do. It's who I am.

I love your video guide *How to Become a Stupid Whore on the Internet.* Could you please recap your essential tips for aspiring goonettes?

You want me to explain my four horny commandments? Okay, listen up, sluts:

1. FEED YOUR BRAIN WITH PORN. You wanna be a whore? Study the craft. Immerse yourself in filth. Learn what makes you throb.
2. SMOKE YOUR BRAIN AWAY. Gooning is about losing yourself. Get sloppy. Get dumb. Let your cute little cum-obsessed brain go completely blank.
3. PUSH YOUR LIMITS. That dildo? Take it deeper. That fantasy? Go further. That cliff? Step the fuck off it. Always be safe, but don't be scared to step out of your comfort zone.
4. ALL YOUR HOLES ARE A POSSIBILITY. This is not a drill. If it can be fucked, it should be. Open that mouth. Stretch that ass. >>

Whenever you share your fantasies on social media, I feel like you're manifesting destiny. Like corrupting a virgin or wanting to slurp on a guy's butthole and ball sac while he pleasures himself to porn. Do dreams come true?
My posts are more than mere fantasy—they're a blueprint. When I talk about breaking in a virgin, that's because I've done it. When I say I want to bury my face in a man's balls and ass while he strokes himself stupid? That's not some cute little thought experiment. That is a need. A calling. I beg every guy I hook up with to let me do it! It's a shame how many men have never gotten their ass eaten.

I'm giving you the day off from work. How are you gooning?
I'm going for that rare, disgusting, brain-melting shit that makes my clit pulse. First, I dive into my friends' CNC and painful anal content. I'm definitely watching tentacle and monster-fuck hentai, maybe some panty fucking and girls eating ass. I love shit that is unapologetically perverted.

Dildos, plugs, vibrators—anything I can shove in my holes. My bed? Drenched. My sheets? Stained. My mind? Fucking obliterated. Edging, staring at the screen, legs shaking, pussy dripping, body convulsing. I'll do this up to five times before finally taking a break. Ideally, a friend or two comes over and it turns into a gooning party.

Talking to all these amazing goonettes, I can see how much you love and support one another. What can you tell me about the goonette community?
We're stronger together. This isn't just some random group of sluts on the internet. We are a revolution. A movement. A filthy, gorgeous, brilliant army of sluts. We hype each other up, push each other further and celebrate each other for the cum-brained goddesses we are. We aren't just making porn—we're changing it. And we're just getting started.

ME TIME

LARRY FLYNT PRODUCTIONS

It's so important in life to take time out for yourself and relax. One of my favorite ways to unwind is to play video games, like Stardew Valley, Shadow of the Colossus and Mass Effect 2. Another pastime I really enjoy? I masturbate at least every other day. I'm particularly fond of my Hitachi—I get off so quickly when I use it.

"Of course, nothing beats sex with a partner. I'm big on cock worship—from the balls to the tip, I take my time and treat a dick right. And I appreciate it when my lover returns the favor and gives his all to please me. I'm a firm believer in the Golden Rule—you know, do unto others. It's the easiest way to make sure I'll want to do you again."

BEAVER HUNT®

EDITED BY MORGEN "TEX" HAGEN

ROXI KEOGH

Nude modeling is an opportunity to look my best," professes red-hot Roxi Keogh, 36, from Leicester, England. "I'm truly naughty, slutty and loads of fun." That explains why the 5-foot-5 Brit called it quits as a police officer and became an internet XXX vixen."I had my fill of keeping the peace and busting lawbreakers," Roxi recalls. "Now I don't have to hide how much I love having a go with luscious girls, sucking cocks and getting fucked hard and deep, especially in my bum. Oh, how that makes me come!" Besides being open-minded about nudity and sexuality, Roxi has the utmost regard for loyalty, the word stylishly inked on her right butt cheek and hip. The knockout's array of body art also includes the related inscription "Don't fear the enemy that faces you, but the fake friend behind you. Life is not about who is real to your face, but who remains real when you're no longer present." Bravo, Roxi Keogh!

"I'm usually very domineering, so my fantasy is to be dominated."

Birthday Delights

Adding extra pizzazz to this roundup is a handful of Beavers celebrating birthdays in August. "Men get horny looking at naked women, and I love arousing them," proclaimed Betzz, a XXX video vixen and former ballerina from Prague, Czechia. "Girls from my country are beautiful, sweet and skillful in the boudoir. That's why men around the world are so fond of us." Daisy Foxxx—a housewife from Mesa, Arizona—told us, "It's been a longtime dream of mine to appear in a publication as historic as HUSTLER. I'm not shy, and I love showing off my body. I want to share myself with the world before I have to move on to other pursuits. I think I'd be a great photographer." Jenesis Jade—a stripper from Carson City, Nevada—admitted, "I'm a goof. I love to joke around because life can be hard. Laughter is always good. I also have a very big heart, so I like helping others and making them happy. My favorite way is getting naked and having sex." Know Me from Cochise County, Arizona, cooed, "I'm fun, wild, honest, shocking, fucking hilarious and totally perverted. I love role-play, being dominant and sucking dick better than anyone. One of my lovers calls me Know Me Blow Me with a 6th-degree black belt in mouth hugs. I call it smiling like a doughnut!" Dana Wolf—a former porn A-lister residing in Las Vegas, Nevada—asserted, "My motto is 'The dirtier, the better.' Cocksucking is my obsession. I love draining a guy's balls and eating his cum." Happy birthday, ladies!

KNOW ME

“After I got into the adult industry, being in HUSTLER became one of my goals. I really love getting naked for a very large audience.”

LEXI CLOUD

"I'm proud of my body, and I want to show it off in HUSTLER," declares Lexi Cloud, 20, an aspiring cosmetologist from Youngstown, Ohio. The alluring, 5-foot-4 Buckeye Stater goes on to tell us, "I'm sweet, outgoing and friendly. I love walking in the woods, going to the beach and shopping." Turning to her amorous endeavors, Lexi confides, "I'm seductive and definitely a masochistic brat. 'No pain, no gain' is my motto. Slapping my ass with a hand or paddle puts me on cloud nine. I also love to push my limits and discover new kinks that satisfy me and my partner. I'm not a selfish lover." The fan of doggy and riding a guy reverse-cowgirl-style adds, "Although I've always been extremely submissive, I just might try being dominant at some point, especially with another woman. I love cock and pussy."

—Photos by Elegant Images Modeling, Ltd.

“My wildest sexual experience was having a threesome with my boyfriend and a gal pal. My fantasies are having sex in the woods and doing kinky stuff with multiple girls.”
